**This week homework is:**

- Go to page 47, listen the attached audio and answer the questions from exercise 1 as follows: “Last weekend Lucas...”. Write it on your notebook. Then, send me a picture of it.
- Then, complete exercise 3. Remember the differences between before, ago and, of course, after. Here you can watch some videos:

Confused words: before vs. ago

In, ago, before and after

AGO	BEFORE	AFTER
“hace... años/semanas/días...” A certain moment in de past time. Normally accompanied by years, months, weeks...	“Antes” At any time in the past.	“Después” A later time.
I saw my teachers one month ago. I went to the beach 2 years ago.	I have listened this song before. I have talked to you before about this.	I’ll do the homework after having breakfast. I sent an email after doing my homework
	If you write a verb after these words, it must be written with -ing. <i>Before <b>going</b> to bed, I always brush my teeth.</i> <i>After <b>walking</b> out, I wash my hands.</i>

Hi! I'm Rachel. In February, I went to the Chinese New Year Festival in London with my cousins. I **wore** a traditional Chinese costume.

A man  a song saying hello to the new year. Then, we looked at the shops in Chinatown and I  a Chinese kite. I can give the kite to my brother for his birthday.

At six o'clock we  the lion dancers. Then, we were hungry and we  to a Chinese restaurant for dinner.

1 Did Rachel wear special clothes?

4 Did she sing a song?

2 Did she make a video?

5 Did she buy a present?

3 Did she have salad?

6 Did she meet friends?

Yes, she did
